These players shall not play skip nor shall they play on the same rink. Players are excluded from this rule if they have played less than four games (or part thereof) for all the teams in the club during the season. For the purpose of this rule, a higher team is the team with the earlier letter, even

where the team is in the same division. Contravention of this rule will lead to a penalty being applied according to rule 9(c).

- e) If a Clubs A team is not playing and any of its lower teams are then, of the players that played in the last A Team game, only those who have played more often for a lower team can drop down to re-join that lower team. - a) Fixtures will be played on set Saturdays. The set Saturdays to be used shall depend on the number of teams in the division.
- b) Fixtures shall start with trial ends at 2.30pm. Start times may be varied by mutual agreement, subject to confirmation by the League Secretary. The match must start within 30 minutes of the agreed time with teams fielded in accordance with Rule 6(c) or as varied by Rule 6(d).

Any club with four or more players on County duty (to include the Somerset County Tour), International duty or involved in a Bowls England National Championship/Competition (but in earlier rounds of those Championships/Competitions Clubs should neither offer nor accept a League Saturday date as a pretext for postponing the League game) that clashes with the League programme may re-arrange the fixture. Where no umpire has been appointed, the captains of the opposing teams must reach agreement on the outcome of any dispute arising from the playing of the match before the result is confirmed and advised to the League Secretary.

7. Failure to Complete a Fixture

- a) Except as in 5(d) above, a fixture may only be postponed due to inclement weather. Such fixtures shall be rearranged on the earliest mutually agreeable date providing it is before the end of the League season and advised to the League Secretary within 7 days from the day for which the original fixture was scheduled. In the event of the failure to agree, the game will be deemed 'null & void' with no points awarded to either team. Should it be physically impossible to play on or before the last League Saturday (eg the postponed game was on the last Saturday), then the decision of the League Secretary shall be final.

- b) A team failing to fulfil a fixture shall have 6 points deducted and 10 shots awarded against it. The opposing team shall be awarded 12 points and 10 shots. Fines should be paid to the appropriate Regional Secretary within 21 days of the offending fixture after which the fine will be doubled. If after a further 21 days the fine is still unpaid, the team will be deducted 12 match points. Continued refusal to pay will result in the team not being invited to re-join the League next season.
- b) Both team captains must each arrange for a completed result card (ie :two cards), signed by both captains, to be sent by first class post to the appropriate Regional Secretary. **Where cards are being posted, they should be sent within 24 hours of the end of the match.** Alternatively result cards can be scanned & emailed, but please note the whole card needs to be seen by the Regional Secretaries. Failure to do so shall result in a fine of £5 on the first occasion, rising by £1 for each subsequent occasion. Fines should be paid to the appropriate Regional Secretary within 21 days of the offending fixture after which the fine will be doubled. If after a further 21 days the fine is still unpaid, the team will be deducted 12 match points. Continued refusal to pay will result in the team not being invited to re-join the League next season.
- c) Amongst other things, results cards shall be checked to ensure the valid registration of all players.
- d) If possible, results and up-to-date league tables will be issued to clubs and the media on each Sunday or Monday after a relatively full programme of fixtures has been played.

9. Scoring

- a) Each winning rink per team shall be awarded 2 points, drawing rinks 1 point each.
- b) Each winning team shall be awarded 6 points, drawing teams 3 points each.
- c) Playing an ineligible player will lead to a 3 point deduction on the first occasion by a team. If that same ineligible player is played again, a 6 point deduction will result on the second occasion and 12 points on each subsequent occasion. Multiple ineligible players in the same team will result in a separate penalty for each player. In addition, the rink(s) the ineligible player(s) play on cannot record a win. If they score more shots than their

opponents, the shots are zeroed for both teams and the rink points awarded to their opponents. When players transgress, the penalty will be applied to the rink with the highest shot difference.

- d) In the event that a team resigns from the league during the course of the season, all fixtures completed by that team shall be considered void and any points obtained by the team's opposition in matches already played shall be forfeit.
- e) Prize money will be awarded to the leading positions in each division. The exact amount will depend on the success of securing appropriate sponsorship. Actual prize amounts shall be announced before the start of the League season. Please note Clubs' representatives are expected to attend the annual Presentation Lunch to collect their prizes personally.
- f) Finishing positions (from top down) are determined firstly by the greater total number of points scored and, if equal, then by the greater shot difference and, if equal, then by the fewer shots conceded and, if equal, then by the greater number of games won and, if equal, then by the greater number of rink points scored. If any finishing positions remain unresolved and they affect promotion or relegation, then play-offs on a neutral green shall be arranged in accordance with Rules 5(b) and 5(c).
